

Cloud Based

Notice Management Platform

Manages the notices throughout their lifecycle in a single streamlined workflow.

CHALLENGES

Drafting of individual, bulk notices & tracking their dates.

Missed deadlines due to scattered information.

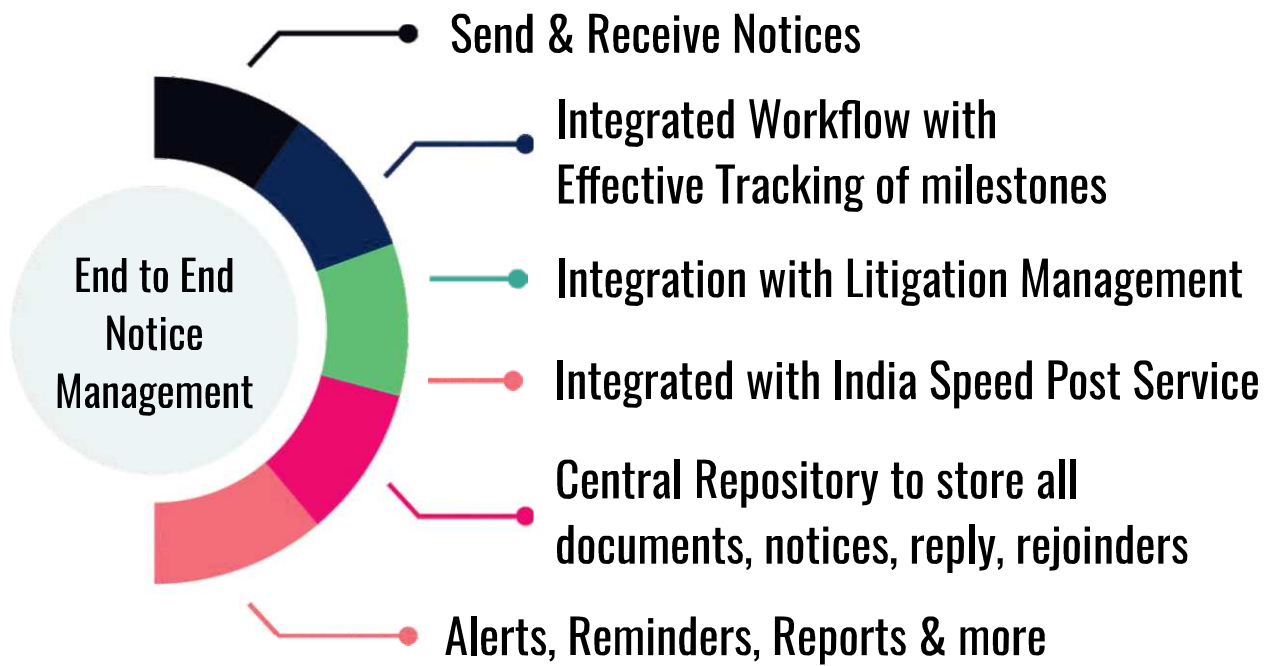

Lack of consolidated overview

Duplicity of information.

No central repository for notices issued in the past and their outcome

MYKASE SOLUTIONS

- 1 Bulk drafting through a single dashboard with customizable templates. Generate multiple notices with a single click.
- 2 Systematic workflow and calendar log along with smart alerts and email notifications
- 3 Unified Dashboard which gives a bird's eye view of all Notices and Approvals.
- 4 Ensures uniformity and consistency in managing notices, Reduces redundancy.
- 5 Centralized repository to store all the notices related documents, data and information.
